Commander  
Headquarters, Air Force Systems Command  
United States Air Force  
Andrews Air Force Base  
Washington 25, D. C.

Dear General Schriever:

Thank you for your kind invitation to attend the Air Force Science and Engineering Symposium at Brooks Air Force Base in San Antonio on 9, 10 and 11 October. I have held up replying in the hope that my plans would be such that I would be able to attend. I now find, however, that it will not be possible for me to be out of the Washington area during that week, and regret, therefore, I must decline the invitation.

Col. Jack Ledford, one of my associates, will be attending in my place, and I believe he will find the Symposium an interesting and worthwhile program.

Sincerely,

Herbert Scoville, Jr.
